PROFILE

Cybersecurity professional with a strong focus on security management and Governance, Risk, and Compliance (GRC). Over 5 years of supervisory experience, including leading large-scale operations during Hajj. Currently pursuing a Bachelor's degree in Cybersecurity with a GPA of 3.97, alongside certifications such as CEH, CySA+, ISO 27001 Lead Auditor, eCDFP, eJPTv2, GRCP, GRCA, IPMP, IAIP and IRMP. Committed to enhancing organizational resilience and driving strategic cybersecurity initiatives.

WORK EXPERIENCE

Cyber Security Analyst - Intern Umm Al-Qura University | 2025

Completed 600 hours of practical experience in cybersecurity by:
Supporting GRC activities with policy reviews, auditing, and compliance efforts aligned with standards such as NCA and DGA.
Assisting in penetration testing tasks, including vulnerability scanning, analysis, and reporting of findings.
Developing skills in Digital Forensics and Incident Response (DFIR) and proactive Threat Hunting, with hands-on work in threat investigations and using EDR tools.

Senior Customer Service Al-Bait Guests | 2025

Helped manage customer service during the Hajj season to support pilgrims needs. Handled daily tasks in busy conditions and responded to questions and issues quickly. Worked with other teams to keep the service running smoothly and assist pilgrims.

Customer Service Supervisor Al-Bait Guests | 2023 – 2024

Managed customer service operations during high-pressure Hajj operations, ensuring excellent service delivery.
Supervised teams to meet organizational goals and ensure pilgrims satisfaction.

Vice President, Center (7) Al-Bait Guests | 2022

Directed operations for center activities, leading a team to achieve high performance.
Demonstrated problem-solving skills in fast-paced environments.

Food Quality Supervisor Muttawify South-Asia | 2017 – 2018

Ensured adherence to food quality standards during large-scale Hajj operations.
